

How are we changing lives?

ABC Literacy Project

Children's literacy skills are linked with better school performance, conduct and development of social skills. This is especially true for children within the ages of 6 through 12.

The ABC Literacy Project was built upon existing after-school programs and helped to strengthen learning opportunities for children in Windsor and Essex County. Carlos was just one of our many success stories to date – and with your help, we hope to have many more.

Do you know someone who is currently unemployed?

The Employment Directory was established for unemployed or underemployed people in our community. The listing allows people to find the help they need, whether through education, training, employment, finances or community support. The Employment Directory can be found online at www.weareunited.com/reports

Are you interested in volunteering?

Our community has hundreds of volunteer opportunities available for you. You can check them out by searching the United Way's Volunteer Sector Connector. The website allows you to search by location and type, so it's an easy and fast way to find your next volunteer opportunity. To check out the Volunteer Sector Connector, please visit www.vsconnector.ca

Do you have a question about social, health, government or community services?

If so, 211 Windsor-Essex is here to serve you. 211 is a shared commitment of United Way/Centraide Windsor-Essex, City of Windsor and County of Essex. By dialing 211 or visiting www.211windsor.essex.ca, you can learn more about the social and community services available to you.

Drug Strategy

Windsor Essex County Drug Strategy engaged a cross-section of the community in a process to identify priorities and develop an implementation plan that would reduce the harm of substance misuse.

United Way, as a catalyst, brought the community together to develop this coordinated and comprehensive approach to addressing substance misuse and secured funding from the Green Shield Foundation to support the implementation of the strategy.

Presently, the Windsor Essex County Drug Strategy is linked to other drug strategies across Ontario and in Canada.
