Re: 2009 United Way of Canada Campaign

Greetings:

On behalf of UAW Region 1 and its 150,000 active and retired members, we again strongly support and endorse the 2009 United Way Canadian Campaign.

United Way Canada is committed to improving communities and individual lives in measurable and lasting ways. Consequently, a successful campaign in meeting their financial goals will enable the United Way to make a lasting impact on the quality of life and in building strong communities.

In solidarity,
