TO ALL UFCW CANADA LOCAL UNION AND CHARTERED BODY
PRESIDENTS

RE: UNITED WAY

UFCW Canada has a long and proud tradition of working with its members to enrich the communities in which they work and live. Most notably we do this with the UFCW charity of choice, The Leukemia & Lymphoma Society of Canada, helping to find a cure for blood cancers. Another charity UFCW Canada endorses for its community approach is the United Way of Canada.

The United Way and UFCW Canada share the mission of improving lives and building communities. The funds gathered by the United Way stay in your communities and are used to fund services for working people and their families, in addition to strengthening our communities. I encourage you to participate and support the 2009 United Way Campaign.

Together UFCW Canada and the United Way will make a difference.

In solidarity,

Wayne E. Hanley
National President
