Re: **2010 United Way Campaign**

Dear Sisters and Brothers,

The ATU Canadian Council is proud to support the 2010 United Way Campaign. The ATU and the United Way have worked together for many years to make a difference in our communities.

The ATU membership across Canada has always been there to help those in need. Once again, the United Way and families in our communities need our help.

Therefore on behalf of the ATU Canadian Council, I encourage you to support and participate in the 2010 United Way Campaign, as a donor and a volunteer.

The funds gathered during this campaign stay in your community and they are used to fund vital services for working people and their families, as well as strengthen our communities.

Together we can make a difference.

In Solidarity,

Robin G. West
Canadian Director
