Re: 2010 United Way-Centraide Campaign

Greetings,

On behalf of the Canadian Federation of Nurses' Unions (CFNU) representing over 138,000 members and 20,000 associate members across Canada, I encourage all CFNU member organizations and their members to strongly support the 2010 United Way-Centraide campaign.

The United Way Canada's mission "to improve lives and build community by engaging individuals and mobilizing collective action" is particularly relevant to Canadian workers especially in these difficult times. Union members have continued to be extremely generous in responding to the needs of their community, but it's not over and we need to continue working closely with United Way-Centraide.

In solidarity,

Linda Silas, RN, BScN

President
