

May 2010

TO ALL CUPE CHARTERED ORGANIZATIONS

Dear Sisters and Brothers:

Re: 2010 United Way-Centraide Campaign

I am pleased to once again be writing to you about the United Way-Centraide.

The 2010 fund raising campaigns will once again be in full swing in your community over the coming months. I want to take this opportunity to ask all CUPE divisions, locals and councils to get involved.

Your members can be involved in a number of ways.

- They can help plan and implement the 2010 Fund Raising Campaign.
- United Way-Centraide agencies are always looking for progressive people to volunteer their time and expertise.
- Finally, you can contribute financially.

The United Way-Centraide is a charitable organization that recognizes and integrates the labour movement. They share our vision of strong communities. They work with us to reduce poverty, involve youth and new Canadians, and increase the ability of citizens to participate in society.

For the fourth year in a row, CUPE members were recognized by the United Way-Centraide as contributing more than one million dollars. This year, you can be part of contributing more than money. You can help build the partnership to move our common vision forward.

Please contact your local United Way-Centraide today to offer your support.

In solidarity,

PAUL MOIST
National President
