Re: 2010 United Way/Centraide Campaigns

Service Employees International Union, Canada has a long standing and successful partnership with local community United Ways. As such SEIU – Canada- ACWCC is pleased to once again support United Way-Centraide Campaigns across Canada in 2010.

Many SEIU members actively participate in helping to raise funds for United Way so that our communities may continue to provide critical funding for many of the social services our communities need.

You too can help out your local community's United Way campaign by:

- ✓ Becoming a member of your local United Way Board
- ✓ Becoming a member of the United Way funding allocation committees
- ✓ Becoming a campaign chairperson at your workplace during the annual United Way Campaign period
- ✓ Volunteering on other United Way committees

and of course

- ✓ by contributing financially during the annual fundraising period of your local united Way.

By participating in your Local United Way campaign you are ensuring that the quality of life for all people in your community is continuing to improve, and that individuals, families and neighbourhoods in your community are receiving help to achieve their full potential.

To find out more information about how to get active in your local United Way please go to
