Subject: 2011 United Way /Centraide Campaign

Dear Sisters
Dear Brothers:

Labour and the United Way have worked together in partnership for decades. The Canadian Office and Professional Employees Union have been a proud part of that partnership.

The past year has been difficult for working families, with job loss and economic failure by government.

Many workers have drawn on the resources funded by United Way/Centraide over the past year and they will continue to need these resources.

In 2010, unions and their members have been extremely generous in responding to the needs of their communities. We need to continue working closely with United Way/Centraide.

I encourage you to support and participate in the 2011 United Way/Centraide campaign.

Let's challenge ourselves to help our communities!

In Solidarity,

Serge Cadieux
National President
