**Re: 2011 United Way Campaign**

Dear Sisters & Brothers:

UNITE HERE is proud to support the 2011 United Way Campaign. UNITE HERE and the United Way have worked together for many years to make a difference in our communities.

The economic failures of the past year have taken a considerable toll on working families and our communities and it is essential that labour once again step up to ensure that our most vulnerable, and those made vulnerable due to the economy are supported and cared for.

Therefore, on behalf of UNITE HERE Canada, I encourage you to support and participate in the 2011 United Way Campaign as a donor and a volunteer. The funds gathered during this campaign stay in your community and they are used to fund vital services for working people and our families, as well as strengthen our communities.

Together we can make a difference.

In Solidarity,
