

# MISSION

Connecting **emerging philanthropists** to their community and engaging them to create positive change through **United Way**.

#### STAY INFORMED:

Join the movement and learn about the issues that confront people in our region and how you can help

#### GET CONNECTED:

Be part of a network of like-minded change makers who share your goals and visions for a better community

#### MAKE AN IMPACT:

Give back to the community by making a philanthropic investment and participate in meaningful volunteer opportunities

#### GAIN ACCESS:

Attend networking, social and volunteer opportunities and receive exclusive invitations to special events

The Emerging Philanthropists program encourages young people in their 20s and 30s to make a philanthropic investment in support of their community through United Way. This diverse group of emerging leaders seek to fully understand the issues that confront people in our region, to actively connect with the community, to learn about leadership and professional development, and to influence positive change through meaningful volunteering and giving opportunities.

**BECOME AN EMERGING PHILANTHROPIST**  
a leader, a donor, a volunteer and a change-maker
